

6 Peregrine Road, Westhill Business Park, Westhill, Aberdeenshire, AB32 6JL.

Terms & Conditions, Assumptions and Exclusions

1. All prices quoted are inclusive of VAT unless there are other agreed prevailing terms that are subject to Kore Technology Solutions Limited Standard Terms & Conditions of Sale, which is available upon request.
2. System – The system will comprise of the following components; 1 no. control panel with integral keypad, 1 no external siren, 2 no. PIR sensors, 1 no. door contact, 2 no. remote fobs and 1 no. fused spur (we assume that there is an existing power socket within 1 meter of where the control panel is to be located). Additional components can be added as required and would be subject to additional pricing. Please ask for more details.
3. The quotation is based on works being carried out Mon-Fri between the hours of 0800 and 1700. We will provide you with a 2 hour window of attendance the day before we are due to attend.
4. Kore Solutions assumes that any order placed for the proposal detailed above is on the basis that the content has been read and fully understood by the Client to confirm that all requirements have been interpreted correctly.
5. This document is issued under the condition that all details received are correct and that the customer has met all of their statutory requirements, with regard to health and safety management.
6. No work shall commence on site without full payment for the agreed works at the agreed price. An invoice will be issued for the agreed works at the agreed price. Payment to be made via direct bank payment into the nominated Kore account or via cheque. Should payment be made by cheque the funds will require to be cleared prior to our attendance at the property.
7. Where Kore Solutions create access holes in standard building materials i.e. "walls, partitions, floors, ceilings, doors and window frames" prior to the installation of containment or cabling, we will make good with like materials e.g. mortar, plaster, filler, etc to maintain the physical integrity of the area.
8. Normal utility services e.g. 110/240v power supply, welfare & messing facilities will be provided / supplied by the customer, at no extra cost to Kore Solutions.
9. All works will be carried out in accordance with relevant Industry Standards and/or Manufacturer's requirements.
10. Supply or installation of active equipment or connectivity services are wholly excluded.
11. All prices exclude VAT.
12. Installation should be continuous and uninterrupted unless otherwise stated.
13. Clear access is to be available at all times and to all areas associated with this installation.
14. No allowance has been made for the removal of any existing cabling or ancillary components that exist on site.
15. The removal and replacement of floorboards, flooring and/or carpets is specifically excluded from this proposal and is the responsibility of the Client, at no cost to Kore Solutions.
16. Unless otherwise stated, we assume that the existing Main Distribution Board has sufficient capacity to accept any new circuit wiring required. If not an additional quotation, if required, can be given to upgrade or add in sufficient switchgear.
17. All parts come with a 12-month warranty, should it be found that any part has become damaged due to negligence or abuse then any attendances relating to this will be fully chargeable at the rate of £70 plus VAT per hour, minimum charge of 1 hour will apply.
18. We will provide a cost for annual maintenance based upon the exact system installed.
